¡Cocinar Para Su Salud!: Results from a hands-on dietary intervention among Hispanic breast cancer survivors

Dr. Heather Greenlee ND, PhD, Columbia University

**Wednesday September 25 at 12:00 p. m
Drachman Hall Room A112**

Heather Greenlee, ND, PhD, is a naturopathic physician and an epidemiologist. She is an Assistant Professor of Epidemiology at Columbia University's Mailman School of Public Health in New York City. Her research focuses on the use of complementary and integrative medicine (CIM) and lifestyle modifications for breast cancer prevention and control. Dr. Greenlee has been funded by the National Cancer Institute, National Center for Complementary and Alternative Medicine, and private foundations. She is currently the President Elect of the Society for Integrative Oncology.
